Product	Description
JAR05 	Berna Combi Data Sheet
JBER01 	Gio The BERNA line has been designed faithful to three premises: a balance between inclusive and challenging proposals, fully oriented to offer pedagogical fun and 100% produced with high-quality materials, all developed according to sustainability criteria. A collection with which to build the most innovative play areas, for the urbanism of the new century. Multigame structure composed of educational game panels: clock, abacus, maze, and pass-through tunnel. It also includes a side counter with a sand game and a roof. Data Sheet Certificate
